

As the Caisse is taking steps towards implementing its sustainable development plan established in 2021, it will offer two bursaries to recognize a significant contribution or commitment to sustainable development in our communities. **Two \$5,000 bursaries will be awarded to students who have distinguished themselves by participating in or initiating a project that made a difference in the community.**

Students who are graduating from high school and plan to enroll in a post-secondary program or post-secondary students who are enrolled in a college or university undergraduate program are eligible.

By referring to Section 5 of the application form, please explain how your involvement in a project relates to the objectives of the program.

What are the eligibility requirements?

- Was registered with and attended a Canadian secondary or post-secondary institution during the 2021-2022 school year;
- Have an overall average of at least 80% in your last year of study;
- Be enrolled in a postsecondary program;
- Be a member of Caisse Alliance;
- Be involved in your community (cooperative, community, cultural, student or business activities, etc.);
- Submit two 250-500 word texts and a video explaining your involvement and participation in the project, to be evaluated (Section 5).

Applications will be accepted between **March 1 and March 31, 2022, at midnight**. The selected candidates will be notified in June 2022.

Do you have a project idea? We encourage you to pursue and make your project(s) a reality. You may be eligible for this bursary in the coming years!

Our youth... building happiness!
